

# MOST BEAUTIFUL PLACE Linden

The March long weekend my girlfriend Jo and I flew to Flinders Island, to claim the prize won through the ACST Spinner Flinders Holiday competition.

Both the Flinders Island Adventures tour and the Resolution Adventures evening cruise were brilliant.

About to take my GFPT test, but still a long way from PPL we were unable to fly from Hobart, I'll hang onto the 1.5 hrs flying time from the prize for my training. Instead traveling RPT with Airlines of Tasmania from Launceston.

We must thank the Flinders Island Tourism operators who got behind the Competition, they certainly made us welcome during our long weekend stay.

Furneaux Tavern Lady Barron, Flinders Island Adventures 4WD Tours, Flinders Island Car Rentals and Resolution Adventures.

Linden boarding Airlines of Tasmania C404 Titan at Launceston Airport. Relaxing aboard Resolution Adventures 50 foot Cat.

Jo and I spent a day exploring the west coast's beautiful beaches and Sunday afternoon swimming at Trousers Point, one of the most beautiful places I have been. The pristine waters and beaches are backed by the stunning Strzelecki peaks. Linden.
