TOP GUN for OPEN DAY

Top Gun Tasmania has now added the CJ6a "Nanchang", formerly of the Chinese Air Force, to its operation. The 1991 CJ6a has a 285 horsepower constant speed radial engine that sounds and feels like a Classic Warbird.

It has a full aerobatic +6 -3 "G" capability with a Vne of 192 kts. It cruises at 135kts and has 2 hours of useful fuel on board. Normally, a 35 minute flight starts at \$595 but Top Gun Tasmania will be offering an ongoing discounted rate of only \$445 to all Aero Club members (discounts are also available for Jet Flights)

Aerobatic, constant speed, and retract endorsements are also available. Tell your friends, the general public will get the same \$445 rate during the Open Day on April 15th. www.topguntasmania.com.au or 1300 FUN JET (1300 38 65 38).
