ACST ON SHOW with TOP GUN Tasmania OPEN DAY

There is a fair bit planned for this month, so get some early nights!! We are into the Autumn weather and those beautiful still air flying days are back. These conditions should continue until the second month of Winter so make the most of it if you like your flying smooth. KSR is back on line with KOT, PIX, MTC, EKR, the Skyfox and the Jabiru all available to fly.

Our major event this month is the Top Gun Tasmania Cambridge Open Day on Sunday 15th from 10.00am until 4.00pm. To help make this day a success I am calling on all members to donate some of their time either the Saturday or the Sunday or both days. Any help will be appreciated. **Just call me 0438 346 623**

so I can place you on one of the teams for the Open Day.

On Saturday we need to spring clean the area and make Cambridge presentable and safe for the Public. We need the hangars swept, the kitchen and clubrooms cleaned, fridges defrosted, grass mowed, safety fencing installed, rig the sponsors

logos and banners and clear the apron for the arrival of the Jet Provost late on Saturday.

Sunday we will need enough people to rotate in teams: Front gate team leader is John Remess, taking the gold coins, operating the raffles and lucky gate entry J160 flight prize each hour. Catering team leader is John Davis running the sausage sizzle and selling refreshments tea coffee and soft drinks. Plenty of help needed here over the busy period when everyone is hungry!

Ground Marshall team leader is Pat Cliffe Hick-

L: Mal Steane, Ed ten Broeke, Don Prairie ALACS

ling, note there will be marshalled start-ups outside the public arena.

If you are just dropping in to say g'day, that's fine too, but please wander around the aircraft, pop little kids in the control seat, offer to take photos for people and generally talk Aeroplanes, Aero Club and the special \$59 Trial Introductory Flight priced to encourage the keen ones to fly.

ALACS practice day will be held on Saturday April 21st at Cambridge. The fence will be up, air judges on hand, sausages on the BBQ for lunch, soft drinks and refreshments on the go. **Open to Everyone**, and you don't have to be going to Bundaberg to compete in this practice day. Come along and try out just for fun, starts at 10.30am.

If you are going to the 50th Anniversary ALACS you need to practice. Safe Flying
