

# THANKS TO ALL THE VOLUNTEERS

President Don Prairie was exceptionally happy with the way things went with the arrival and lunch for the Schofields Flying Club members. "It has been a good experience for us, for the people who threw in and did the special volunteer jobs, I couldn't be happier with the way it's gone today." said Don

*A: The gourmet BBQ spread prepared by Suzie Smith. BL: Carol Prairie, Flying Captain Sue Davis and Suzie Smith.*

A big thank you to Suzie Smith for her efforts in catering for what ended up being well over 70 people, David Chalk who cooked all the specialty Vermey's meats, helping in the kitchen Sally Edwards, Carol Prairie, our new Flying Captain Sue Davis and Barry Smith, at the bar Pat Cliffe-Hickling.

On the Tarmac the Marshalling team lead by David Cooper with Frank Leibfried, John Broadhead, Marty Joyce, Bain Morgan, Bernie Samms and Rob Gard.

"I must extend thanks to the guys at the Hobart Tower who had to take on the addition of 19 aircraft unfamiliar to the Hobart control zone, getting everyone in and around the normal days commercial activities." Don added.

*"Schofields went out of their way to comment about the warm hospitality extended to them by ACST members - well done everyone." Don.*

## HARD YAKKA

"This is something we would do again, it was good for the Club to push itself a bit, because look at the new friends we've made, this is what Clubs are all

about, the fellowship of flying." said Don.

Schofields 16 day tour continues from Hobart to Strahan, King Island, Kangaroo Island, Mungo, Temora and back to Bankstown. At Strahan the tour group will take in Macquarie Harbour, a Gordon River cruise and onto the splendid ABT railway journey through to Queenstown.

At King Island, the KI Aero Club is meeting Schofields for lunch and then they are staying on to enjoy a full day trip of King Island.

"Couldn't be happier than when Schofields people just walked up and were shaking my hand and saying, this is wonderful, to see this happening, it looks like you've got a great Club. Thanks everyone who helped out." Don smiled and said.
