JERICHO FUN DAY FLY/DRIVE ANNUAL SUBSCRIPTIONS NOW DUE

Annual Aero Club membership subscriptions are now due and the committee has decided there will be no increase again this year with the fee **remaining at just \$145**. Last year we simply asked through Spinner for members to pay their fee and this worked very well. So I'm asking you to please phone through to the office **6248 5370** and have your credit card ready to pay over the phone, You can of course pay in person at the office. Prompt payment saves a lot of valuable volunteer labour chasing slow payers. Thankyou and

L: Ya Ya , Peter and baby Lachlan Waite

looking forward to prompt payments again this year, it really does help.

Congratulations must go to **Ya Ya and Peter on the birth of Lachlan Waite**. Born June 9th at 2.35pm, Lachlan weighed 2.9kilos (six pounds two ounces). Ya Ya and baby are both well and Peter is adjusting to being a Dad for the first time. One things for sure, the Aero Club has a new student pilot.

Phil McGowan from Aviation Rescue Fire Fighting has asked if anyone from the Bus Tour group have photos of the mock 737 fire and station visit. Phil would be very keen to use these photos in their national Fire Fighting Newsletter and to have as a record of the Aero Club's visit. You can email photos through to Phil at phillip.mcgowan@airservicesaustralia.com

The Annual Dinner has a new date Saturday September 22nd at the Royal Yacht Club. Tuesday September 18th there will be a cocktail party at Government House to celebrate the Aero Club's 60th birthday.

New Re-fueling kit, goggles, gloves & earmuffs

Flying Captain, Sue Davis, has installed a new refueling safety kit which includes: ear protection, goggles for eye protection, sturdy leather gloves and an eye irrigator for any accidental fuel splash. It is all kept together in a plastic box with the fuel book at the office.

Happy Sixtieth Aero Club and Safe Flying.
