The Aircraft departing by mid afternoon, the TAC twins voluminous in size and noise, especially the Shrike as it rolled precisely along the narrow grass strip covering a distance no more than some of the single low wings.

All smiles Ian Aitken, winning lunch for 2

Our hosts Roger & Wendy McLennan treated us to a great 4 hours with morning tea at the famous Barnboughe Golf Links, a bus tour of the Bridport township sights with commentary along the way from Councilor McLennan. Penny flew in with her partner John Bright to relive childhood memories at Mermaids Pool, as a child Penny spent her Summers swimming in the safety of this natural pool at the beach. After our stroll along the beach photographing tourist landmarks like the Old Jetty that was burnt down because someone wouldn't buy fish, so the folk story goes, a lovely lunch was enjoyed by all back at the Teapot.
