**SPINNER ENQUIRIES to
Mark Nichols
0419 578 498**

We got to meet the Bruny Island community after our first attempt in July was knocked out by low cloud and mist at Cambridge. Our August effort had a little bit of wind but a clear day for the twenty five plus people who flew in.

Great to see so many partners and friends able to make the Flyin, Tony and Elaine Gray, George Newell and Heather, Carl Nilson and Elizabeth del Bourgo, Terry Owen, Graeme and Francis Martin, Stan and Bonnie Tilley.

Anthony Gray and his son flew down from Launceston in his Tabago, David Goodrick and Tanzi, Eric Johnstone and Michelle O'toole who organized the terrific large photo posters of Recherche Bay and books by Dr. Bob Brown. Rendell Emmett who acted as Ground Marshall and flew in an old favorite C172 from TasAir VH - DXO. Some of you learned to fly in that plane. I know I have not mentioned everyone, but a big collective thank you to you all, for making it such a good day and helping the Bruny Community Association raise \$770.

BRUNY.... A BEAUTY

I have had a meeting with Peter Waite and Mark Nichols to finalize the activity Calendar for 2007. In view of the success with the Bruny Island flyin mini time trials, expect to see more of that next year with some new and favorites returning to the list. January will be a Back to Lagoon Bay Flyin BBQ and history walk to the old Whaling Station, more on that in November Spinner.

Offers Galore this month, for anyone interested in a **Top Gun Flight** in the Jet Provost **call Dan and he will be happy to offer a discount** for Aero Club members **1300 38 65 38**. just say you "saw it in the Spinner."

Following on from our Bruny Island visit **Brendan Lowry** from the **Bruny Hotel is offering** to Aero Club Pilots, airstrip pickup and return for guests dining at the Bruny Hotel. Great idea for lunch, fly in with your friends for terrific Seafood and Steaks. Give them a bit of notice the day before by phoning **6293 1148**.

We now have almost equal amounts of students learning to fly C172's as the Jabiru J160. I noticed some students have opted to switch to the J160 to affordably build up more hours.

Upper Deck function room Bellerive yacht club

Tickets for the Awards Dinner have been included with this edition of Spinner. I encourage you all to get along to the Upper Deck function room at the Bellerive Yacht Club, for a great night of entertainment and a three course Buffet Dinner and the chance to win some prizes. It is shaping up to be a good night out.

One lucky Dinner ticket holder will win a night for two at Lemonthyme Lodge in a Tree Top Spa cabin including a full buffet Breakfast for two and a two course Dinner for two. This terrific prize is valued at \$365.00. see enclosed Lemonthyme Lodge brochure - looks really good.

Now, to help everyone and keep the workload to a minimum, I would really like to see you **pay for your Dinner Ticket now by calling 6248 5370** you know the drill, credit card at the ready. I don't want to see valuable volunteer labour being wasted chasing people to pay their Dinner Ticket, a team effort please. Speaking of volunteers, enjoy a drink Sunday from 4.00pm with Ron, Pat and Sue your friendly Bar Staff. Safe Flying.
