

WINTER COMPS LEADERBOARD

ROUND 2: 1000ft GLIDE APPROACH

The second round of the Petrusma Property Winter Comps was well attended with 21 Pilots competing in the skill of a 1000ft Glide approach. The position for first place was tightly fought by John Bright and David Prince with them both sharing in bottles of fine Tasmanian wine courtesy of our sponsor Petrusma Property.

Pat Cliffe Hickling's recent overseas tour flying in all those Jumbo Jets, kept him in trim coming in second and only 4 points behind the leaders. Adrian Walker from round one maintained his position in third place but again this was a very tightly fought position. Adrian is joined by Eric King and John Breaden in a tie for third.

Five points separated Phil Petersen from our tri-winners with only a point between Phil and Ed ten Broeke coming in the fifth position. Both Ed ten Broeke and Don Prairie did catch-ups on Round 1, it's not too late to catch-up. Congratulations to all who competed and gained valuable experience. Prizes for Round two will be presented at Round three Sunday July 12th.
